## Commercial update Aqua Bio Technology (ABT) - launch of new corporate websites

28.6.2021 12:51:51 CEST | Aqua Bio Technology ASA | Non-regulatory press releases

### Launch of new corporate websites

ABT announces that the company today has launched a new corporate website. This is an effort to streamline and modernize the company's online presence as well as e-commerce solutions.

Last week ABT announced the launch of three new e-commerce solutions for Seiðr, Seiðr Clinique and B Natural.

### Launch of new B2B solution websites

The company is also today launching a B2B solution for its distribution partners in order to streamline the logistics process from order to delivery to its distribution partners. Distributors with an interest in marketing ABT's products in their regions can contact the ABT through the B2B website directly.
