Soiltech ASA (OSE: STECH)  
Sandnes, Norway, 29 April 2026

Equinor has exercised the option to extend the frame contract for Offshore Waste Management Services with Soiltech until 31 May 2028. Following this, Equinor has three remaining extension options, each for two years.

Under the contract, Soiltech provides its full technology portfolio of innovative waste management services, with a focus on efficiency improvements and waste reduction, recovery and reuse.

“Our ambition is to be at the forefront of technology development in the industry. Equinor’s extension of the contract is a recognition of the performance of our teams, both offshore and onshore,” says Jan Erik Tveteraas, CEO of Soiltech.
