About BW LPG

BW LPG is the world's leading owner and operator of LPG vessels, with a fleet of about 50 Very Large Gas Carriers (VLGCs), including 22 vessels powered by LPG dual-fuel propulsion technology. Building on over five decades of LPG shipping experience, the company is strengthened by an in-house LPG trading division and the commercial expertise to explore investments in value chain assets. Together, these capabilities enable BW LPG to provide trusted and reliable services for sourcing and delivering LPG to customers worldwide.

Delivering energy for a better world – more information about BW LPG can be found at www.bwlpg.com.

BW LPG is associated with BW Group, a leading global maritime company involved in shipping, floating infrastructure, deepwater oil & gas production, and new sustainable technologies. Founded in 1955 by Sir YK Pao, BW controls a fleet of over 400 vessels transporting oil, gas and dry commodities, with its 200 LNG and LPG ships constituting the largest gas fleet in the world. In the renewables space, the group has investments in solar, wind, batteries, and water treatment.
