

## **DOF Group ASA - Contract Award in the APAC Region**

DOF is pleased to announce a Substantial\* contract award for Subsea Commissioning Support services in the APAC Region.

Skandi Inventor will be deployed for the execution of the offshore operations scheduled to commence in Q2 2027 in North Australian waters.

The scope of work includes DOF's in-house project management and engineering, procurement and logistics support services. The duration of the offshore campaign is estimated to be between 120 and 180 days.

Mons Aase, CEO DOF Group ASA, said: "The award recognises the capabilities of Skandi Inventor and DOF as a trusted partner in the APAC region. The award also secures strong backlog for the APAC region, and we look forward to continuing to deliver safe, efficient and world class subsea and marine services."

\*DOF defines a Substantial contract as a contract with value between USD 25M and USD 50M.
