About HydrogenPro:

HydrogenPro, established in 2013, specializes in pioneering green hydrogen technology solutions through partnerships with global collaborators and suppliers. Our flagship products are high-pressure alkaline electrolyzers, incorporating some of the most advanced technology available. As an OEM, we provide high-pressure alkaline electrolyzers and supply large-scale green hydrogen plants, all certified to ISO 9001, ISO 45001, and ISO 14001 standards. Our experienced engineering team consists of leading industry experts, drawing upon unparalleled knowledge and expertise in the hydrogen and renewable energy sectors.
