### **About Huddlestock Fintech AS**

Huddlestock is a European Investment-as-a-Service provider enabling financial institutions and digital platforms to launch and scale investment services efficiently and in full regulatory compliance. Through its BaFin-regulated entity, Huddlestock GmbH, the company provides access to a comprehensive liability umbrella and European passporting framework, allowing partners to offer regulated investment services without requiring their own financial license. Combining regulatory infrastructure with a modular, partner-based ecosystem, Huddlestock enables clients to build tailored investment solutions while significantly reducing time-to-market and operational complexity. Huddlestock Group also includes Visigon, a Nordic based consulting company with deep expertise in capital markets and treasury technology.
