

Entra ASA: Contemplating issuance of senior unsecured NOK-denominated green bonds

17.6.2026 14:06:50 CEST | Entra ASA | Additional regulated information required to be disclosed under the laws of a member state

Entra ASA (Moody's: Baa3/positive) has mandated DNB Carnegie, Handelsbanken and SEB as Joint Lead Managers to explore the possibility of issuing new senior unsecured NOK-denominated green bonds. Subject to market conditions, one or more floating- and/or fixed-rate bond issues with a tenor of 6–7 years may follow.

In connection with the potential transaction, Entra ASA may also consider buy-backs in the following outstanding bonds: ENTRA64 ESG (ISIN: NO0011094625) and ENTRA65 ESG (ISIN: NO0011094633), both maturing on 10 September 2026.
