

Huddlestock announces resignation of CFO and strengthens organisation for the next commercial phase

CFO Sabine Merky has informed the Board of Directors and CEO of Huddlestock Fintech AS ("Huddlestock") that she will be stepping down from her role to pursue a new professional opportunity. Merky will remain in her position until 30 September 2026.

"We thank Sabine for her valuable contributions and wish her every success going forward," says Leif Arnold Thomas, CEO of Huddlestock.

"Our focus is on delivering cutting edge technology for the financial industry and we are in an exciting phase as we accelerate the commercialisation of Giga Broker and our Investment-as-a-Service offering across Europe. It is natural that the Board will re-evaluate the organisational structure, responsibilities and roles through a use of people and technology to maximize efforts on commercialisation and ensure a clear path to profitability through a lean organisation".

About Huddlestock Fintech AS

Huddlestock is a European Investment-as-a-Service provider enabling financial institutions and digital platforms to launch and scale investment services efficiently and in full regulatory compliance. Through its BaFin-regulated entity, Huddlestock GmbH, the company provides access to a comprehensive liability umbrella and European passporting framework, allowing partners to offer regulated investment services without requiring their own financial license. Combining regulatory infrastructure with a modular, partner-based ecosystem, Huddlestock enables clients to build tailored investment solutions while significantly reducing time-to-market and operational complexity. Huddlestock Group also includes Visigon, a Nordic based consulting company with deep expertise in capital markets and treasury technology.
