Skybound Entertainment Expands *Invincible VS* with First Major Content Update Launching Today; Wraps Participation in Evo 2026 and Details Several Additional Planned Events

Key Highlights:

- *Invincible VS* Season 1 launches today as the first in a series of content updates to support ongoing player engagement for the game
- A new Season 1 trailer was revealed on stage at Evo 2026, the preeminent, globally recognized fighting game tournament, garnering hundreds of thousands of views thus far and growing
- Skybound and Quarter Up will bring *Invincible VS* to Evo France this fall and additional events throughout 2026, continuing to build visibility within the global fighting game community
- Skybound's critically acclaimed *Invincible animated* series on Prime Video will extend into a sixth season, further expanding the runway for growth around the IP overall

Invincible VS, the hit tag fighting game and the first major game set in the award-winning *Invincible* universe, continues to build momentum. Co-financed and co-distributed by 5th Planet Games, *Invincible VS* is developed by Skybound Entertainment's in-house game studio Quarter Up, which today launches 'Season 1,' the first content update of its scope and size to be released since *Invincible VS*' initial April global release.

Skybound and Quarter Up debuted a [Season 1 trailer](#) this past weekend at Evo 2026, supporting continued awareness of *Invincible VS* within the fighting game community. The Season 1 content update today adds two new anticipated fighters, The Immortal and Universa, along with a new Endless Arcade mode and additional in-game cosmetics among other updates.

Hundreds of *Invincible VS* players competed at Evo 2026 with the ultimate champion taking home a Conquest Gauntlet trophy. In addition to the tournament, Evo attendees had the opportunity to preview new characters within Quarter Up's *Invincible VS* booth and attend a dedicated *Invincible VS* panel led by the development team. Quarter Up also revealed that Angstrom Levy will be the featured Season 2 fighter releasing later this year, with plans to debut him at Evo France this October.

A [recent post from Quarter Up](#) shared many *Invincible VS* updates including the details of planned participation in future fighting game tournaments as part of Quarter Up's [Competitive Support Program](#). This includes *VS Fighting XIV* taking place July 24-26 in the UK and the *Community Effort Orlando (CEO) 2026* in August.

These developments will benefit 5th Planet Games, which continues to distribute physical editions of *Invincible VS* across key European territories including the Nordic region under its partnership agreement with Nordisk Interactive A/S; across Eastern Europe in partnership with Glomerk SA; and across the Benelux region in association with BIGBEN Interactive Belgium S.A. Physical boxed editions from 5th Planet Games and Skybound include a Standard Edition and Collector's Edition, both now available at select global retailers and comic book shops.

Invincible VS Overview

Invincible VS features beloved characters, iconic locations, and devastating combos in a tournament-caliber 3v3 tag-team fighting experience. The game is based on Skybound Entertainment's acclaimed comic series by Robert Kirkman, Cory Walker and Ryan Ottley, which has sold more than 5 million books since its debut in 2003. Skybound's *Invincible* animated series, which launched in 2021 on Prime Video, has been the #1 series on the platform at multiple points across its first four seasons. Season 4 debuted in March to a third consecutive 100% score on Rotten Tomatoes and became the most-watched season of the series to date. The critically acclaimed series streams in more than 240 countries and territories. Season 5 is currently in production for release next year, with an early renewal for Season 6 also recently confirmed.
