## IDEX Biometrics appoints Ingvill Tømt as Chief Financial Officer

Oslo, Norway, 1 July 2026

IDEX Biometrics ASA today announces the appointment of Ingvill Tømt as Chief Financial Officer, effective 1 July 2026. She succeeds Kjell-Arne Besseberg, who has served as interim CFO since 1 June 2026. Tømt joined IDEX in May 2025 as Vice President Finance and has since been integral to the Company's financial governance and reporting.

Tømt holds an MSc in Business & Economics and began her career at PwC before progressing to senior finance roles at Telenor and Coop, building expertise across financial reporting, governance, mergers and demergers, and business performance management.

"Ingvill has been instrumental in building our finance function since she joined, and she knows the business inside out. As we enter a phase of commercial scale-up, having a dedicated and experienced CFO is the right move for IDEX," says Kjell-Arne Besseberg, CEO.

"IDEX is at an exciting inflection point. My focus will be on financial discipline, transparency, and ensuring the finance function fully supports the commercial ramp ahead," says Ingvill Tømt, CFO.

### About Us

*IDEX Biometrics ASA (OSE: IDEX) develops and makes fingerprint **biometric cards for access control**, digital identity and payment. By authenticating identity through fingerprint biometrics rather than passwords, PINs or traditional credentials, IDEX enables secure and convenient access to physical and digital services. Fingerprint matching happens directly on the card, offline and without transmitting biometric data. Certified by Visa, Mastercard, FIDO2 and EAL6+, and backed by more than 250 patents and over USD 350 million invested in R&D, IDEX serves banks, enterprises and public sector organizations directly and through channel partners worldwide.*
