About BW LPG

BW LPG is the world’s leading owner and operator of LPG vessels, with a fleet of about 50 Very Large Gas Carriers (VLGCs), including over 20 vessels powered by LPG dual-fuel propulsion technology. Building on over five decades of LPG shipping experience, the company is strengthened by an in-house LPG trading division and the commercial expertise to explore investments in value chain assets. Together, these capabilities enable BW LPG to provide trusted and reliable services for sourcing and delivering LPG to customers worldwide. Delivering energy for a better world – more information about BW LPG can be found at www.bwlp.com.

Press Release
14 August 2026 07:00:00 CEST

BW LPG is associated with BW Group, a leading global energy and maritime company involved in shipping, deepwater oil & gas production, renewable energy and digital infrastructure. BW controls a fleet of over 400 vessels transporting oil, gas and dry commodities. In the infrastructure space, the group operates in wind, batteries, water, subsea cable networks and data centres.
