

Initiation of share buyback program

Oslo, 9 September 2026

The Board of Directors of ContextVision AB ("ContextVision" or "the Company") has resolved to initiate a share buyback program to be executed in accordance with the authorization granted to the Board of Directors by the Annual General Meeting of ContextVision held on 12 May 2026 ("the Authorization").

The share buyback program will commence on 10 September 2026 and end no later than 29 January 2027. The buyback program covers purchases for a maximum consideration of NOK 12 million, or a maximum of 2,000,000 shares in accordance with the Authorization. The purpose of the program is to reduce the capital of the Company and/or meet obligations arising from the Company's long-term incentive programs (LTIP).

ContextVision has engaged DNB Carnegie, a part of DNB Bank ASA, to manage and carry out the share repurchases in the market. DNB Carnegie will make its trading decisions independently of, and uninfluenced by ContextVision. The share buyback program will be carried out in accordance with Regulation (EU) No 596/2014 (the "Market Abuse Regulation") and Commission Delegated Regulation (EU) No 2016/1052 (the "Safe Harbour Regulation").

The Company reserves the right to make subsequent changes to the above terms for the program and will in such case make appropriate announcements in this respect.
