

Elkem ASA - Invitation to third quarter results presentation and capital markets update

Oslo, 2 October 2026

Elkem ASA will release its report for the third quarter 2026 on Thursday, 29 October 2026 at 7.00 a.m. CET. The report and presentation materials will be available from that time at www.elkem.com

In connection with the results presentation, Elkem will host a capital markets update covering its updated business strategy and financial targets, as well as presentations by its three divisions: Elkem Silicon, Elkem Foundry Alloys and Elkem Carbon.

The event will take place from 9.00 am to 12.00 noon CET at House of Oslo, Conference centre, VIA Vika, Ruseløkkveien 34, 0251 Oslo.

The third-quarter presentation and capital markets update can also be viewed in a live webcast at [Elkem Webcast 3Q 2026 and capital markets update](#) or via www.elkem.com

The presentation and the subsequent Q&A session will be held in English.

About Elkem

Elkem is a global metals and materials company established in 1904. The company holds leading positions in silicon, ferrosilicon, foundry alloys and carbon solutions, supplying materials essential to modern society – from critical infrastructure and manufacturing to digitalisation, mobility and energy solutions. Elkem produces its materials by combining natural raw materials, renewable energy and advanced process technology, creating solutions that enable a more sustainable future. The company employs around 3,000 people, operates in more than 30 locations across Europe, Asia, the Americas and Africa, and is headquartered in Oslo, Norway where it is listed on the Oslo Stock Exchange (ELK). Driven by innovation. Powered by nature. Shaping the future.
