About Måsøval

Måsøval is a fully integrated producer of Atlantic salmon with more than 50 years of operational experience. Based on the island of Frøya in Central Norway, the company controls the entire value chain -from smolt production to sea-based farming, harvesting, processing, and global sales.

This integrated model ensures full control, operational efficiency, and consistent delivery of premium Atlantic salmon to the global market. Måsøval is committed to sustainable growth, fish welfare, and long-term value creation.
