Xplora Technologies AS: Monthly Subscriptions Update October 2026

As of October 31, 2026, Xplora Technologies has 546k subscriptions, a net increase of 100k from October 2025 (446k).

This month’s highlight:
*14k new subscriptions (gross)

Net subscription development follows the same seasonal patterns as in previous years.

This month’s subscription update reflects Xplora Technologies’ activity in the Children & Youth segment. Subscriptions include connectivity plans (mobile subscriptions), premium services, B2B service revenues, and service fees for Xplora smartwatches without Xplora mobile subscriptions in select markets where customers can choose to pay a service fee as a substitute to having an Xplora connectivity subscription.

The company also offers Doro phones with subscription services in Norway, Finland, Sweden, UK, France, Germany and Denmark on its web shop channels.
